

# 2022 SUMMER STUDENT RESEARCH AWARD APPLICATION

The RVH Research Institute is committed to supporting the scholarly development of students enrolled at a Canadian university or college.

The RVH 2022 Summer Student Research Award enables qualified students to engage in an immersive summer research training experience intended to supplement and give practical meaning to their academic coursework. The objectives of the award are to stimulate interest in applied health research and to help prepare students for post-graduate studies or research-related careers.

Successful candidates will be eligible to receive up to \$4,500.00 (CDN) for a full sixteen (16)-week period (May 9-August 26, 2022). The number of awards offered is conditional upon available funding. Applicants are subject to the 2022 Summer Student Research Award's Terms and Conditions.
